

Customer Retention Service

LenderLive's Customer Retention Service is designed to help clients retain a strong portfolio and build customer loyalty.

Our retention specialists will work closely with your servicing area to identify borrowers who

- Could be deemed at risk for an early-payoff and therefore may benefit from a refinance to lower their payments; or
- Might be seeking the purchase of a new home.

LenderLive's EarlyAction™ solution leverages professional, private-labeled outbound call and direct mail campaigns to these targeted mortgage customers. We offer additional mortgage finance opportunities that match their situation to your loan products and guidelines.

Our experienced fulfillment center resources are available to process, underwrite and close loan transactions on your behalf, all private-labeled in your name.

LenderLive strives to build a customer retention solution that meets the standards and company policies of your business, assuring customer satisfaction as your mortgage business grows.

A cost efficient, private-labeled service to help you retain a strong portfolio and build customer loyalty.
